Canvassing Area: Fulton County and cities

Call 270-442-3575

American Red Cross Volunteers will be in your community installing **free** smoke alarms and speaking about home fire safety for the residents of Fulton County. **If you are in need of smoke alarms, please call our Paducah office at (270) 442-3575**

The American Red Cross Kentucky Region is celebrating our 100th Anniversary, providing help and hope to those in need. On April 14, 2018, we are hosting an event where American Red Cross volunteers and community volunteers will place smoke alarms in homes that need them, as well as explain home fire safety measures. **If you or anyone you know need smoke alarms placed in their home, please give us a call 270-442-3575.**
