The City reserves the right to reject any or all Bids, including without limitation the right to reject any or all nonconforming, non-responsive, incomplete, unbalanced, or conditional Bids, to waive informalities, and to reject the Bid of any Bidder if The City believes that it would not be in the best interest of The City to make an award to that bidder. The City also reserves the right to negotiate with the selected bidder to such an extent as may be determined by The City. Also, if, in The City's opinion, a product and/or supplier offer distinct advantages over other bidders, The City may award to a bidder that is not the lowest. Distinct advantages may include shipping time, standardization or ultimate economy. The City reserves the right to have separate awards for individual bid items from different bidders. The City further reserves the right to reject all bids, to waive any informalities and to negotiate for the modification of any bid, or to accept a bid which is deemed the most desirable and advantageous from the standpoint of customer value and service and concept of operations, even though such bid may not, on its face, appear to be the lowest price.
