PUBLIC MEETING NOTICE

To: Public Transportation Providers & Users

From: Fulton County Transit Authority
Murray/Calloway County Transit Authority
Paducah Area Transit System
Purchase Area Development District

The Purchase Area Transit Authorities are conducting a meeting to identify unmet public transportation needs in the region. Following this meeting all needs will be assessed and potential funding sources reviewed. Where possible the needs identified will be used to develop FY 2021 transit grant applications, however preparing a request does not guarantee that service will be provided.

In order to thoroughly assess the needs of the region a **public input meeting has been scheduled for NOON on Wednesday, January 22, 2020 at the Purchase Area Development District, 1002 Medical Drive, Mayfield, KY.** Refreshments will be provided. In the event of inclement weather, please call 270-247-7171 for meeting cancellation notice. If cancelled, the alternate meeting date will be January 29, 2020 at noon. All interested parties, including users and providers, are encouraged to attend this hearing. To arrange for free transportation please contact the Fulton County Transit Authority (270/472-0662), Murray-Calloway County Transit Authority (270/753-9725) or the Paducah Area Transit System (270/444-8700) at least 24 hours prior to the meeting.

The Transits are asking that all interested parties complete the enclosed survey, even if you can't attend the meeting, in order to assist in documenting the transportation needs of the region. The survey may also be completed electronically by going to <https://www.surveymonkey.com/r/CNK5S6X>. Please feel free to pass this survey along to other agencies or groups in need of transportation services. If you have questions regarding this public input process or would like to submit written comments, please contact Stacey Courtney at 270/251-6146.

Auxiliary aids and limited English proficiency services are available when requested 3 business days in advance.

*The Mission of the Purchase Area Development District is to improve
